

Riviera Little League Bylaws

The Riviera Little League (RLL) bylaws edit or add to the current edition of rules from Little League Baseball, Inc. These bylaws are to be reviewed annually and are subject to change by a majority vote of the Board of Directors prior to the start of the regular season. All actions taken by RLL, its participants, and the Board Members must be in accordance with those regulations defined by Little League Inc. and/or the RLL bylaws.

1. President/ Board Selection

1. The Board of Directors (aka Executive Board) and Auxiliary Board (aka General Board) are eligible candidates for the Board of Directors. The Board of Directors will consist of eleven positions outlined in section nine of these bylaws. The electors shall then vote to determine those elected, proctored by the President, Secretary, and Information Officer.
2. Auxiliary Board positions are by appointment in consultation with returning Board of Directors members.
3. Auxiliary Board members missing 2 consecutive or 3 meetings throughout the course of the board year, without prior arrangement with the President or Secretary, are subject to removal from the board. In these instances, the Board will find a replacement and a Board of Directors vote will be placed.

2. Coach Selection

1. Coach selection and Assistant Coach approval for all divisions will be by the President in consultation with the Vice President, Division Player Agent, League Player Agent, and Coach Coordinator. However, all appointments are subject to final approval by the Board of Directors.

2. Uses a 10-pt rating as established by the Player Agent and approved by the Board of Directors prior to evaluations.

<u>Score</u>	<u>Comments</u>
9-10	Highly skilled player- Probable 1 st round draft choice.
7-8	Very skilled player- Probable high draft choice.
5-6	Average to good skill- Mid-round draft choice.
3-4	Moderate to challenged skills- Lower-level draft choice.
1-2	Poses a safety risk to themselves. Should play a lower division.

3. Five categories are evaluated- Running, Catch Play, Infield fielding, Outfield fielding, Hitting, and Pitching.

4. The evaluating group for Major and Minor divisions will consist of the division Managers and at least two members from the Board not involved in that particular division.
5. Playing Up Criteria: A player may qualify to play in a division above his or her age group by earning an evaluation rating within the First Round of his or her age group AND earning an evaluation rating either within the top 20% of the Major division, within the top 30% of the Minor division, or the top 30% of the National Division.

5. Draft

1. The draft will be an open draft, identifying player name and score, with the coaches then selecting their teams.
2. For each division, the draft board will be assembled by ranking, from high (#1) to low, all qualifying players in that division using the mean average of the total score from all rating sheets, excluding each player's best rating score and worst rating score. In the event of a tie with the average taken to two decimal places (hundredths), the faster running time will win the higher ranking.
3. The President, Vice President, and Division Player Agent as a group, can as needed by the division, make adjustments to the draft board in the interest of parity.
4. Ideally, teams within the draft-based divisions (National, Minor, Major, Intermediate, Junior) will have the same number of players, with players given priority based on their registration date. Any remaining players will be added to a waitlist and placed on teams as seen fit by the Board of Directors.
5. The targeted number of players per team for the draft-based divisions is 11. Based on the progress of registration enrollment and/or waitlist size, the Board of Directors reserves right to adjust team sizes, and potentially employ unbalanced teams, in order to prioritize player participation.
6. Riviera Little League redrafts every year as there are no "property players."
7. Riviera Little League does not allow pre-selection of players based on preferred or potential Assistant Coaches or team volunteers.
8. Draft Order will be determined by random lottery, except where a Manager's child is ranked in the First Round. In this event, the Manager will inherit the Draft Order position equivalent to his or her highest-ranked child in that division's First Round, and all remaining Draft Order positions will be filled

by random lottery. Under no circumstance shall a Manager have an option to select his or her Draft Order position.

9. Riviera Little League does not allow trades once Managers leave the Draft Meeting. All trades must be completed at the draft location the evening of the draft. Any and all trades made must be in consultation with the applicable Division Player Agent and Board representatives running the Draft, before the trade is recognized by RLL.
10. Siblings qualify for the same team provided they meet the age/skill requirements of that division.
11. New Players accepted after the completion of the draft will be randomly assigned to teams.

6. Playoffs

1. The Major and Minor Divisions shall play playoff games to determine a Division Champion. The Major and Minor Divisions shall play a double elimination playoff bracket up until the final Championship game, which will be a single elimination game. Riviera Little League rules shall be used for playoff games. Final standings determine the playoff game bracket seeding.
2. The National Division will compete in a single elimination playoff bracket. League officials will determine the seeding for playoffs. The seeding process will be modeled after the NBA Draft Lottery where each team will receive one ping-pong ball at the beginning of the season and will receive an additional ping-pong ball for each regular season loss. League Officials will then blindly draw the ping-pong balls for seeding order, drawing lowest seed first. The fewer balls, the higher likelihood of getting a top seed. A coin flip before each game will decide the home team
3. For Major and Minor seeding, in the event of ties, the following tiebreakers shall apply:
 - a) Team with the better head-to-head record shall be the higher seeded team.
 - b) If still tied, then the team with the fewest runs allowed head-to-head shall be the higher seeded team.
 - c) If still tied, then a coin flip will determine the higher seed.
4. The League Scheduler, in consultation with the Board of Directors, will establish and publish brackets as soon as practical at the beginning of the baseball season.
